Collaborative Digital Storytelling & Global Exhibition

- * For ages 8-19
- * Endorsed by the World Future Society
& the Project Management Institute
- * Focus on local community: including
local history, culture, business, leaders,
art, music, sports, health, environment

Register Fall 2025 - Projects due March 2026

- * Supports standards-based, authentic learning
- * Connects youth to their local communities
- * Employs real world, career transferable skills
- * Engages students in assessment & reflection
- * Increases global awareness, civic responsibility, future thinking
- * Teaches students 21st century learning skills:
(research, project management, content creation,
publishing, digital media, entrepreneurship)
